

IAFE PRESENTS:

"THE MILK MAKER"

**A family activity to
LEARN BY DOING
& have gallons of FUN.**

**Let IAFE & Events Unlimited
help bring a
MILK MAKER
activity station to your fair.**

IAFE has teamed up with associate member Events Unlimited to provide families who attend your fair the opportunity to "learn by doing." The IAFE is purchasing 5 **MILK MAKER** Activity Stations that will be available for use by member fairs beginning in January 2001.

WHAT IS IT?

The **MILK MAKER** Activity Station is an engaging, entertaining, educating way to provide families with young children an opportunity to make memories at your fair. Playing together at the **MILK MAKER** Activity Station families learn that milk and milk products come from the farm.

Family after family will be fascinated with being able to milk a cow. They'll understand first hand why farms have become so automated--milking by hand is hard work. The smiles widen, and the pride grows, as each child squirts milk into a bucket. They are really milking a cow!

Children will also have the opportunity to toss bean bags with milk products into the matching box. A fun and interactive way to remind families that cows are responsible for many of our favorite foods.

What a simple and exciting way for families to learn that their milk comes from the farm.

HOW DOES IT WORK?

The MILK MAKER Activity Station comes with an easy to read & follow instruction sign. The excitement begins as soon as the child sits on the stool and embarks upon their milking adventure.

Visitors will actually squeeze milk out of a life-like cow, complete with udder and teats. Milking into a bucket, children will gain a real understanding of where their milk comes from. And tossing bean bags with milk products completes the message and adds to the fun.

Fairs will want to provide someone, acting as a real farmer to refill the "udder," restock the bean bags and engage families in the activities.

The MILK MAKER Activity Station is the newest, most innovative and interactive way for families to make memories at a fair!

WHAT'S IN IT?

The MILK MAKER Activity Station comes with a custom-made, vinyl backdrop, milking cow, signs and props. It is ready to go except for some simple supplies that are not easily shipped.

FAIRS RECEIVE:

Vinyl Backdrop & Self Standing Frame
Milking Cow
Milk Bucket
Milking Stool
"Mooing" Sound Effects Tape
Bean Bag Toss Box/ Shipping Crate
Milk Product Bean Bags
Basket for Bean Bags
Direction Sign w/stand
Educational Handout
Staff Training Manual
Assembly Manual

FAIRS PROVIDE:

Cassette Player
Water ("Milk")
Staffing for Activity Station
One-Way Shipping Cost

The activity station is shipped in reuseable packing material via UPS.

HOW DO I GET IT?

Interested fairs should contact the IAFE at 800/516-0313 for details on participating.

Participating fairs will be responsible for the shipping charges for the station and will be required to submit a \$200 deposit, which will be refunded upon return or forwarding of the activity station, intact, to the next fair.

Events Unlimited will coordinate the scheduling.

The MILK MAKER Activity Station is just one component of the FARM FUN ACTIVITY CENTER created by Events Unlimited. It is a great "starter station" for fairs looking to engage, entertain and educate families about food and agriculture.

For information about other activity stations contact **Events Unlimited**.
