1. PURPOSES

The purposes of the certification program are: a) to provide incentive for professional improvement to volunteers in a fair management role; b) to recognize those who achieve the specific standards; and c) to develop professional status in the field of volunteer fair management. Certification also honors those members who have demonstrated their abilities through years of service to their fairs, fair associations, communities, and the Association.

2. DESIGNATION

Certified in Volunteer Fair Management is an individual accomplishment. Reference by a person certified in volunteer fair management to his or her certification and use of it shall indicate that such certification is an individual accomplishment.

The Association shall honor a person certified in volunteer fair management by presenting the successful applicant with a plaque designating him or her as Certified in Volunteer Fair Management.

3. QUALIFICATIONS AND REQUIREMENTS

** Points in all sections will be given only for experience, participation, and contributions that occur during the time an applicant serves as a volunteer in a management level position. Points will not be awarded for forthcoming activities and event participation. Points will only be awarded for individual accomplishments, not those of the fair with which the applicant is associated.

At least one must be from a person involved in fair management (but not with the applicant's fair).

4. CERTIFICATION APPLICATION

After the applicant is satisfied he/she can meet the minimum requirements, he/she shall then return the completed application by June 1 of the year in which certification is sought to the IAFE office along with a check in the amount of \$75.00 (U.S. funds). Once the application is forwarded to the IAFE it shall become the property thereof and will not be returned to the applicant. Material misrepresentations in the application will result in it not being considered. The application fee shall be returned should certification be denied for any reason.

5. ADMINISTRATION OF CERTIFICATION

Certification shall be administered by the IAFE through its Board of Directors. The IAFE Chair shall appoint a Certification Committee consisting of four members serving staggered terms not exceeding four years each, subject to approval by the Board of Directors. Committee members must be Certified Fair Executives.

The Committee may develop its own internal operating procedures, subject to approval of the Board of Directors. The Committee shall report, at least annually, any recommendations for changes to the program. Such suggested changes shall be presented to the Board of Directors for review.

6. CERTIFICATION PROCESSING

The IAFE staff will check the application form to assure that all information is complete and that there is evidence of participation and experience to meet the basic criteria and minimum point standards. After the application has been reviewed, the staff of the IAFE shall turn the application over to the Certification Committee for review.

The Committee will then be responsible for recommending certification of candidates to the IAFE Board of Directors which shall have the right of final review and approval before granting certification. Announcement of the members approved by the Board for certification shall be communicated to each applicant and presentation of certification made at the annual convention unless the applicant cannot attend, in which case the certification plaque shall be shipped to the applicant.

7. RIGHT OF APPEAL

If the Committee does not approve an applicant for certification, it shall provide the applicant with an explanation of the reason(s) the application was not approved. Applicants may appeal the decision of the Committee by appealing the decision in writing to the IAFE Board of Directors. The written appeal shall be submitted to the IAFE Board of Directors by sending said appeal to the executive offices of the IAFE within thirty (30) days after the applicant has been notified of the Committee's decision. The appeal shall specifically state what

portion of the Committee's decision is considered to be in error by the applicant. The applicant may submit any supporting documents with his or her appeal which he or she believes appropriate. The Board of Directors shall consider the appeal at a regular or special meeting of the Board of Directors. If any member of the Board of Directors is also a member of the Certification Committee, then such member shall excuse himself or herself from deliberation of the appeal. The Board's decision regarding the appeal shall be communicated in writing to the applicant within ten (10) days of the Board's decision.

These points shall not be indiscriminately granted but shall be reserved for those special circumstances which could not be covered or anticipated in the general guidelines.
