The County Of Sonoma

Sonoma County offers a rare and compelling array of scenic, recreational, and geographic characteristics that include over 200 award-winning wineries, majestic redwoods, inspiring coastline and beaches, and the vibrant Russian River. Encompassing over one million acres of land and water, rich with agriculture, parks, campsites, lakes, and open spaces, the County is home over 500,000 residents and offers a wide variety of art and music festivals, farmers' markets, and concert venues. Local schools continually rank high on California's Academic Performance Index. Santa Rosa Junior College and Sonoma State University offer higher education opportunities.

The County of Sonoma is a general law county, governed by a five-member Board of Supervisors. The Board is fully committed to a mission and vision that values high quality services to support and enrich the community, strong leadership, engaged citizen participation, transparency and accuracy in information, and efficient and fiscally sustainable government. The Board has also created the Sonoma County Office of Equity, which recognizes and celebrates our powerful role in unseating racial inequity in our communities.

The Sonoma County Fair & Exposition, Inc.

Under an agreement with the County of Sonoma, we act as the County's agent to operate the County Fair and year-round management of the Sonoma County Event Center. The Event Center at the Fairgrounds is centrally located in the heart of Sonoma County at highways 101 and 12 in Santa Rosa. The 165 acre multi-use complex is Wine Country's most extensive and versatile event facility boasting six exhibition halls, an open air grass amphitheater, an open-air dirt arena, ten acres of parking facilities, an RV Park, equestrian event facilities including barns and horse race track, an approximate 7 acre grass carnival/concert area, and a golf course. Home every August to the Sonoma County Fair, the complex hosts a multitude of events year-round such as concerts, tradeshow, music, art and cultural festivals, and events highlighting Sonoma County agriculture and viticulture.

Thriving since 1936, the Sonoma County Fair is a cherished tradition showcasing agriculture, livestock, and arts as a living celebration of the community. The Fair has grown to become one of the most popular in the state, famous for its top quality horse racing, stunning flower show, and constant innovations in family entertainment. Sonoma County Fair and Exposition, Inc. has a budget of over \$10.4M for the 2022 calendar year. Our department is staffed by 25 full-time equivalent employees and almost 600 temporary employees who mainly work the annual Fair. In 2021, we operated a smaller fair with most of the activities taking place outdoors. However, we are excited for 2022 as we are looking at over 75% of our regular events returning and we are on our way back to resuming our normal activities.
