

DOT / TRANSPORTATION COORDINATOR

- Wade Shows, the largest family-owned carnival in the US, is looking for a skilled, dedicated DOT/Transportation Coordinator. Candidates must have excellent organizational skills and experience with transportation paperwork and requirements. Applicant must also possess computer skills, including proficiency with Excel.
- The coordinator will work with the general managers and drivers to maintain paperwork, comply with federal, state, and local transportation rules and regulations, and maintain records and receipts as required. The coordinator shall ensure that all drivers and equipment comply with all transportation regulations and requirements.
- The position can be performed from a fixed location with limited travel or on the road full-time at our various events. If traveling full-time, transportation and living trailers are available.
- Must be able to pass a background check and drug screen upon hiring.
- Please send resume, references, and salary requirements to: frank@wadeshow.com
